

Installation

The screenshot displays the Microsoft Outlook application window. The title bar reads 'Inbox - Microsoft Outlook'. The ribbon at the top includes 'File', 'Home', 'Send/Receive', 'Folder', and 'View'. The 'Home' ribbon is active, showing various actions like 'New E-mail', 'Reply', 'Forward', 'Move', etc. The left sidebar shows the 'Favorites' and 'Outlook Data File' sections. The main pane displays an email titled 'Internship' from 'HigherKnowledge Tests' sent on 'Thu 14-07-2016 16:08'. The email content includes 'Hello', 'Regards', and 'Abhishek'. The right sidebar shows a calendar view for July 2016, with the 15th highlighted. The status bar at the bottom indicates 'Connected' and '100%' zoom.

After installation , you will be able to see the plugin in the Home tab when you open outlook, select the email to which you would want to reply and direct them to HK and click on the button shown in the above image. After clicking it, a new email addressed to that person will be opened as shown below

Then hit send to send the mail!

--works with outlook 2010 only.
